### European *Public Health Videos*

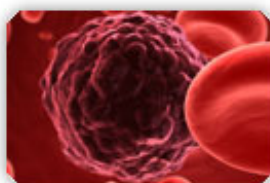

Welcome to the web platform where you can watch video clips and TV commercials produced across Europe on issues relating to public health.

Most of these videos have been produced and aired in the context of public awareness campaigns in the countries concerned.

If you want to share your video clips or TV ads on this platform or obtain a copy of one of the clips or ads please [contact us](#).

### Using the site

All videos are shown in their original language version, most of the time with English subtitling.

You can select videos in two ways - by theme or by country:

To view by theme, click on the tabs at the top of the page. To view by country, click on a tab and then select a country from the drop down list in the top left hand corner of the page.

All videos can be viewed using the latest version of Flash. If you do not have this version, you can [download](#) it for free.
